

ICASSLab Legal Policies

Effective Date: 03 March 2026

1. Privacy Policy

ICASSLab respects your privacy. This Privacy Policy explains how we collect, use, and protect your information when you use our website and services.

Information We Collect

- Basic usage data such as browser type and device information.

How We Use Your Information

- To improve system performance and user experience.
- To comply with legal obligations if required.

Data Protection

We implement appropriate technical and security measures to protect user data. Passwords are securely hashed and sensitive data is not publicly accessible.

Third-Party Services

ICASSLab may use third-party services such as Google Analytics or Google Ads. These services may collect anonymized usage data in accordance with their own privacy policies.

Users may contact us to request correction or deletion of their personal data where applicable.

2. Cookies Policy

ICASSLab uses cookies to enhance user experience and improve website functionality.

What Are Cookies?

Cookies are small text files stored on your device that help websites remember user preferences and session information.

How We Use Cookies

- To analyze website traffic and performance.
- To support advertising services such as Google Ads.

Users can control or disable cookies through their browser settings. Disabling cookies may affect website functionality.

3. Terms of Use

By accessing and using ICASSLab, you agree to comply with the following terms and conditions.

Use of Service

- The platform is provided for educational purposes only.
- Unauthorized access or misuse of the tool is strictly prohibited.

Accuracy of Calculations

ICASSLab provides ICASS calculations based on user input. While we strive for accuracy, users remain responsible for verifying official academic results with their institution.

Limitation of Liability

ICASSLab is not liable for academic decisions made based on calculations provided by the platform.

Changes to Policies

We may update these policies periodically. Continued use of the platform constitutes acceptance of any updates.
